WORKDAY - King's will be holding a work day on Monday of week four this term (the 20th of May). Like previously, the expectation is that you will find a job for the day and then contribute \$20 of what you earn to the School Council (with contributions handed in to group teachers the following day). We encourage you to find work for this day as soon as possible. Unlike in previous years, only a limited number of students (30) will be able to volunteer to perform work at school on work day if they are unable to find a job. While unfortunate, this is because the school does not have enough suitable work to require the efforts of more than 30 students. You are able to sign up for one of these limited places using the signup sheet in the library.
