MOBILE PHONE APPEAL - As we are coming to the end of the school year, we'd like to remind students with any unwanted/lost property phones that we are still collecting unwanted phones and would very much appreciate your support. The Mobile Phone Appeal has raised well over three million dollars for the New Zealand Charities. We have had a very successful year with Sustainable Coastlines our hardworking awesome charity. With 69% of New Zealand's rivers deemed unsafe for swimming after rainfall due to contamination, this is important work that we hope you can support and promote through the collection of old and unwanted phones in your school. Please bring any unwanted mobile phones to the office.

REGISTER FOR A SUMMER READING BOOK BAG - Summer reading is back! Ms Schaumann will fill a bag with books for all your summer reading needs. You can collect them on the last day of school (or before if it works better) and have a bunch of awesome reading to fill your summer. There is a sign-up sheet on the bench in the library. All the books will be due back in the first week of school next year. Any questions come and ask at the library!
