Least We Forget – ANZAC Service 2015

Above: Mr Cushen addresses the school.

Below: Prefects each lay a poppy at the base of the flag.

Mr Cushen's Social Studies class, 10Tr, recently completed a project on the 'Field of Remembrance' for King's High School. Students constructed crosses for the 15 students and 1 staff member that died during WW2. They took a lot of pride in their work and class members are pictured below with Mr Reddix and their liaison teacher, Mr Turner.

WORK DAY 2015

On Tuesday 5th of May, the King's High School Student Council will be holding our annual Work Day.

Work Day is held to raise funds to support groups and activities of King's students. Over the last few years, money raised has been used to financially help a wide range of activities such as:

Choir, Jazz Band, Softball, Musical, Stage Challenge, Athletics Touch, Year 9 Scholarships, Inter-house Competitions, Overseas tours, Individual Pursuits and many more.

Work Day is also an opportunity for students to gain some work experience while benefitting the wider community as well.

All the money raised from the Work Day is used only to benefit activities of King's students.

\$20 is all that is required from each student for a full day's work. Whatever else students make, they can keep. Students are encouraged to start organising work for this day now. This could be at their existing job or a one off activity on the Work Day. Students must have arranged work by Thursday 30th of April.

All money will be collected by group teachers at group time on the morning of Wednesday 6th of May.
