## PERFORMING ARTS & CULTURE

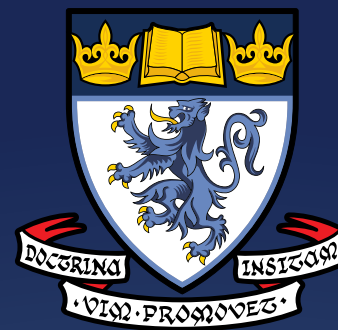

Participation in the Performing Arts can be a powerful tool to help build confidence, self-awareness and self-belief. Young men are encouraged in a wide range of cultural activities. These include choir, singing, bands, speech and debating, Kapa Haka, orchestra, jazz band, string quintet, school production, Theatre Sports, the Shakespeare Sheilah Winn Festival and Pasifika group. There is also an extensive itinerant music programme providing students with quality instruction.

## OUTDOOR EDUCATION

In addition to an outstanding sports programme, King's offers a strong Outdoor Education programme. Our outdoor education gives students a chance to learn to surf, kayak, go hiking, mountain biking and enjoy skiing and snowboarding.

## SPORT

We offer over 30 different sports catering for students who wish to play for enjoyment, interest or for those who wish to excel. As well as outstanding facilities and coaching, we also offer a Sports Performance Programme and Sports Academies in Rugby, Touch Rugby, Hockey, Football, Basketball and Cricket.

Building Men for Life

# WELCOME TO KING'S

Greetings from King's High School. Nau mai haere mai ki Te Kura Tuarua o Kīngi.

Thank you for considering King's for the best education you can give your son.

We are privileged to receive boys from all over the world who wish to access the advantages of a King's education.

We are proud of who we are as a school and what we give our young men to prepare them for life. We are motivated by the desire to equip each student to become a confident, good man in the making, with well-rounded academic skills, and emotional and ethical character that will take him far.

At King's we celebrate international students, offering them a wide range of academic, sporting and cultural options.

A key point of difference for you in selecting King's for your son is the 'excellence in boys' education'.

- Proven academic results
- Outstanding sports performance programmes and academies
- Values-based education approach
- A high standard of pastoral care, including host family support.

**Short-term and long-term stays are available.**

Join us at King's High School, Dunedin, New Zealand.

## ACADEMIC

King's is placed as one of the top five boys' schools in New Zealand and one of the top two South Island secondary schools in New Zealand. In 2019 King's High School gained 52 scholarships. King's High School's success is attributed to the quality of teaching and academic programmes.

Acceleration is a key part of our academic programme. Individualised Education Programmes (IEP) are developed for each student. The Academic Dean monitors each accelerant student, tracking his academic performance as well as his wellbeing. Outstanding student success in Cambridge (IGCSE), Scholarship and NCEA endorsement proves the effectiveness of this programme.

## INTERNATIONAL STUDENTS

Our goal is for all our students to become connected global citizens, ready to live and work in the diverse and connected modern world. Therefore, we take pride in having international students join King's High School.

- Our teachers are committed to work alongside each student, helping them map out and achieve 'personal excellence'.
- We provide a comprehensive induction and orientation programme that helps students to orientate themselves in the city of Dunedin, enjoy school life, have fun and make new friends. We want all our students to embrace the cultural learning opportunities that are presented in life.

## VALUES

A distinguishing feature of our school is our significant focus on values-based education. The focus on character and being a good man is an essential ingredient in the personal development of our students.

### Positive Education

Positive Education is the science behind King's High School success. It forms the foundation of how a school and its teachers can foster positive change in student learning by focusing on life-long wellbeing and strength-based education.

### The King's Men Society

This is a course designed to teach young men what it means and what it looks like to be a good man. The course includes students learning a diverse set of skills and taking part in a wide range of learning contexts with the aim of empowering students to leave King's High School as men who are able to succeed in the world academically, socially and culturally.

### The Oestreicher (Leadership) Programme

Building leadership skills and capacity in our young men is crucial. This is a school-wide, co-ordinated programme that facilitates leadership and service opportunities.

### The House System

The House system plays an integral role in the promotion of our outstanding school culture.

- It fosters a strong sense of community.
- The core school values of respect, integrity, compassion, responsibility and excellence are encouraged and reinforced as students across all year levels interact with one another.
