GOOD MANNERS AS PERSONAL EXCELLENCE - Group Time Activity: During Group Time this week choose 2 of the questions below for Group discussion:

1. What manners have you already seen happen today? What manners do you predict seeing by the end of today?
2. What are the easiest manners to do? When can it be most challenging to maintain manners?
3. When do we see rudeness encouraged over manners (in person or online)? What can be done to counter or change this?
4. Good manners are just as much about good habits as being a good person. Do you agree?
5. Is having good manners a type of personal excellence?
