KING'S HIGH SCHOOL 8 OTAGO BOYS' HIGH SCHOOL 9

SCIENCE WANANGA

The Science Wananga was for selected students of Ngai Tahu and Māori Descent. The focus of the Wananga was for Science and the merging of Science with Mātauranga Māori (Māori Knowledge). The students had a fun time meeting many other students from other Dunedin Secondary Schools, and attending classes that focused on the Geochemistry of Pounamu, Hauora Māori (Māori Health & Well-Being) and Nutrition & Diabetes.

Overall, the students had a great time, and we would like to give a huge thanks to The University of Otago, Te Rūnanga o Ōtakou, Ngai Tahu and Hiria Tutakangahau for organising this opportunity for our boys.

JUDO SUCCESS

King's High School International student Malik Achiri from Germany competed at the Canterbury open Judo championships at the weekend and achieved a gold and silver medal. Congratulations Malik.

PROFESSIONAL DEVELOPMENT FOR KING'S SINGERS

Last week ACafellas (King's Choir) and Polyhymnia (King's and Queen's combined Choir) were lucky to be able to spend an hour and a half being coached by David Squire, MD of the NZ Youth Choir and conductor three of NZ's best secondary school choirs. The fabulous opportunity was part of an initiative of the NZ Choral Federation - to provide P.D for choir directors of BIG SING choirs, prior to the competition.

Mr Squire immediately connected with the students and gave expert advice on effective voice production techniques and the importance of accurately and convincingly conveying the meaning of the text of songs. He had the students adopting a haka-like stance when singing, and by the end all were brilliant at delivering a Latin text. Thanks to Queen's High School Music Department for letting us hold the workshop in their new rooms.

WORK DAY EXPERIENCE WET BUT WORTHWHILE

Thomas Somerfield (below left) and Kelsey Campen spent Work Day cutting gorse at the Orokonui Ecosanctuary at Waitati. They worked with a small team to clear gorse from between the trees. The rain arrived just as they were packing to come home; great timing. Both lads ended up with scratches and Kelsey actually spent some time inside a gorse bush after falling in.

Thank you to all of the parents, Aunties, Uncles, Grandparents and countless others who employed King's boys this week for Work Day.

NOTICES

JUNIOR ASSESSMENT

Please be aware that during Term 2, our Junior students will be completing Common Assessment Tasks, this replaces mid-year examinations. Students have been made aware of this at assemblies and will be reminded by their teachers when the assessments will be taking place. It would be greatly appreciated if you can support your sons by ensuring they are regularly revising and reflecting on material completed to date. This will go a long way to them reaching their academic goals and potential. If parents at any stage have any questions or concerns, please do not hesitate to contact your son's teachers or myself via email at ds@kingshigh.school.nz or on 455-7547.

Regards

Darin Smith

FAIR UPDATE

A huge 'Thank You!' to the ANZ Bank for being our first Gold Sponsor. We are extremely grateful for your expertise and assistance.

The fair committee is now accepting donations of good quality clothing, so please remember us if you are thinking about reorganising your wardrobe in preparation for winter. We will also accept books and other small good quality items if you are unable to hold on to these until August (nothing broken please). Please place your donations in a plastic bag or box, and leave them at the Main Office for collection.

Thank you to the 48 people who have offered their assistance. We need about double this number. If you think you might be able to spare an hour or two (on either Friday 9th, or Saturday 10th September) then would you please fill out an Expression of Interest form at the Main Office, or phone or email me? We are currently in the difficult position of being unable to work out which stalls we can provide, or even if we can safely pre-book equipment, until we know that we have enough volunteers to run everything. Kia ora. Kind regards, Paula Benson-Gamble, Fair Convener. Email: gambfamily@slingshot.co.nz; Cell: 027 565 6127; Hm: 473 9489 (until 10pm).
