CONGRATULATIONS TO JOE ORR SALTER TROPHY WINNER 2014

Last night at our annual Sports Awards Evening, Joe Orr was announced the winner of the Salter Trophy, an award which recognises excellence in sport. Joe's achievements in Ice Hockey throughout his years at King's on both the National and International stage make him the deserving winner of this coveted award. Well Done, Joe.

PACIFICA AWARDS

Otago Polytechnic's annual 2014 Pacific Island Ceremony of Recognition Awards and Scholarships were held last Tuesday at the Sargood Centre.

It was a very enjoyable evening celebrating the achievements of local Pacific Island students who were nominated by their schools. The awards were for the Best Junior and the Best Senior Student in the Academic, Cultural and Sporting areas.

The boys who were nominated by King's High School were David Faaopopo Matega, Year 9 and Sidney Fidow, Year 13. Both of these boys thoroughly deserved the recognition and can be extremely proud of themselves.

Grant Koedyk

TOP TEAM 2014

A new addition to this year's Sports Awards Ceremony was the "Top Team Award", which this year went to the Small Bore Rifle Team; a group of highly successful and humble young men. Congratulations boys.

FINAL DAY FOR WHANAU STUDY GROUP

This year King's High School has held a whanau study group every Wednesday after school for our rangatahi to revise, catch up and extend their schoolwork.

The group consists of all year and academic levels, including old boys who are currently studying at University. Strong numbers have always attended, not just for the work, the support, aroha and the unique family atmosphere but also for the great kai cooked by both our taira and our fantastic catering staff. It's also a chance to embrace te Ao Maori, and self identity for some. These young men have put many hours of their time into the benefit for their education. King's would like to thank them all for taking responsibility for their education. We would like to mihi atu to all the kaiako that have attended the whanau study group to tautoko our taira here.

To all the year 13's that will be leaving this year, you will be greatly missed by your whanau you have supported over the years "He toka tu moana, ara, he toa rongonui." We are looking forward to the years to come and seeing our young men reach their potential and make us even more proud of their absolutely astonishing achievements.

Lloyd MacPherson and Tyrin Tutaki

NOTICES & SPORTS RESULTS

SCHOOL PRIZEGIVING

The most prestigious event in our school calendar is the end of year prizegiving. This year the King's High School prize giving will take place at 7pm on Tuesday 4th November at the Regent Theatre.

This event is a compulsory school event meaning all boys are expected to attend. At the Regent the boy's will be seated downstairs. All parents and supporters will be seated upstairs where there is capacity for 700 people. The prize giving will finish at approximately 9pm. All boys must leave the theatre exiting onto Moray Place and not the Octagon. Please arrange a meeting place for your son. Staff will be present to supervise the Moray Place area. The school bus will be available to take boys back to school if that is more convenient for pick up. If for any reason your son is unable to attend the prizegiving you must contact the appropriate year level Principal.

Year 9 and 10: Mr Smith - ds@kingshigh.school.nz

Year 11: Ms May - my@kingshigh.school.nz

Year 12: Mr Paterson - pt@kingshigh.school.nz

Year 13: Mr Frost: fr@kingshigh.school.nz

We very much look forward to seeing you at the Regent on the 4th November for this fantastic celebration.

Darryl Paterson
Deputy Rector.

All seniors must return all their library and text books to the library now.

Certain students have been approved for summer borrowing. See Ms Schaumann to register.

HEALTH SNIPPETS

KEEPING WELL - Mentally/emotionally

- Mental and emotional health is as important as physical health. You need to ensure that your life is well-balanced and that there is time for you to have fun and relax.
- Make sure that you have friends who you like and trust and spend time with them.
- If you are not happy with something in your life, deal with it, make changes or talk to someone.
- Regular physical activity is important for good mental health.
- EXAM's, - this can be a very stressful time.
- Ensure you are getting enough sleep the night before an exam.
- Sleep is important for brains to work properly, to revitalise energy, and to enable us to fight illness.
- Remember that there are always people to talk to and support you; parents, teachers, counsellors, public health nurse
