EXPERTISE IN THE KITCHEN

Felix McDonald (below left) and Tom White pulled out a professional performance in the National Secondary Schools' Culinary Challenge this week. The pair of Year 13 chefs travelled to Auckland's Manukau Institute of Technology on Tuesday to compete against eight other regions.

Tom and Felix came home with a silver medal earned by gaining between 80-89 points out of 100. In chef competitions all competitors start with 100 points and a team of six judges look for reasons to take points off. Competitors had 90 minutes to prepare four entrees and four mains. The entrée had to include silverbeet while the main had to have a chicken breast and four NZ grown vegetables.

The entrée Tom and Felix made was pot sticker dumplings stuffed with a fenugreek and sichuan pepper infused silverbeet filling. This was served with a traditional soy dipping sauce. The dumplings and sauce were served with a black and white sesame seed garnish. A simply dressed baby red chard finished the plate.

For main, the pair created a rolled and apple basted chicken breast. This was served with an onion and potato rosti, baby broccoli and almond and cumin crusted baby carrots. A sliver of chicken skin crackling and an apple, clove and thyme reduction garnished the dish. All of the above is served on top of a sprinkling of black pudding crumb.
