THEATRESPORTS TEAM – 2ND IN SOUTH ISLAND

2016 was the 3rd year that we have taken a Theatresports Team to the South Island Competition in Christchurch and our most successful year by far. We were given automatic entry into the semi-finals due to the fact that we won the Otago/Southland competition so we were straight onto the Court Theatre stage with seven teams – the winning team from Marlborough and six teams from Canterbury (who have 22 schools participate in their heats).

The semi-final was tough with Cashmere High School our main rivals. However, a stunning game of "meanwhile" (where we got the only 5/5 of the night) meant that we entered the final against Christ's College with top points. In the end, after two stunning rounds by both teams and a quick-fire 'story-story die!' (Won by Gray from our team) we were beaten by a very good team but can hold our heads high.

This is a fitting end to high school Theatresports for Gray, Sam, Alessandro and Quinn who have been together since they were juniors and have been our Senior Theatresports team for the last three years.

Congratulations boys.

GEOGRAPHY TRIP TO QUEENSTOWN

Year 13 Geographers visited Queenstown to research how Tourism Development has shaped this iconic South Island Resort. Students experienced a combination of guest speakers and tourist attractions. They also observed some of the growing pains this rapidly expanding town is experiencing.
