MESSAGE FROM THE RECTOR

Welcome to King's High School. By choosing King's you have opted for a school that offers each young man wonderful opportunities and experiences.

You will be encouraged and driven to reach your potential in the classroom, in your cultural pursuits and on the sports field.

Your teachers will support you in attaining personal excellence. Make the most of their skills and good will.

You will feel a great sense of satisfaction from doing your best. Don't be afraid to fail. Weakness is not defined by failure but rather an unwillingness to try.

BE READY to try new activities and make new friends.

BE RESPECTFUL to your peers, your team mates and your teachers.

BE RESPONSIBLE for your learning and your actions.

Make the most of your opportunities and abilities. I will watch your progress with great interest and pride.

Dan Reddiex
Rector

INTRODUCTION

During the next few days you will be faced with a host of new experiences. You will meet many new friends and you will get to find your way around a new school.

This booklet is intended to assist you with the settling in period and will hopefully help to make the transition to high school a pleasant and easy one for you.

There are approximately **seventy** teaching members of staff at King's. Primarily your **Liaison Teacher**, your **Group Teacher** and your **House Dean** will have many of the answers that you seek. Do not be afraid to ask senior students for assistance either, especially the ones in your Group.

You may also come and see the senior staff at any time. We operate an 'open door' policy. We are never too busy to see a student.

Best wishes for your time at King's. Get involved in a wide range of curricular and co-curricular activities. Get the most out of your secondary schooling. It is in the next few years that you lay the foundation for your future aspirations.

- Student does not meet expectations in terms of their application to tasks assigned and their behaviour.

What we see in a student who gains a “1”.

- Student has been “referred” from class.
 - Student has not completed homework task(s) for the week.
-

OESTREICHER LEADERSHIP PROGRAMME YEAR 9 & 10

Throughout the year students earn points for displaying outstanding leadership qualities in a variety of different contexts. These points are tracked and displayed at the end of each term allowing students and classes to see where they sit. At the conclusion of the academic year the top achieving students will be awarded a gold, silver or bronze award depending on their points total.

Points are awarded for weekly notes performance, report summaries, scholarship winners, nominations from sports coaches and culture leaders, nominations from House Deans and Liaison Teachers, performance on camps and leadership days and performances during the leadership class.

SETTING AND MAINTAINING STANDARDS

King's students are expected to apply self-discipline at all times. The school outlines the expected action/behaviour to follow in specific circumstances. The following explanations will be most useful to you during your time at secondary school.

General Behaviour

King's High School has a positive "tone", which is based on the mutual respect that exists between staff and students.

ALWAYS speak to the staff and to your fellow students with respect.

ALWAYS carry out all exercises, homework, and school related work to the best of your ability and make sure it is completed on time.

ALWAYS strive for personal excellence in your co-curricular activities and try to raise your standard as you gain experience.

Remember that you represent King's at school and on the way to and from school.

Should a message arrive in class for you to come to a Senior Manager's Office, you must do so immediately (unless the class teacher needs you for another minute in order to complete some task). Upon arrival at the Senior Manager's Office, you must knock on the door and wait if it is closed.

CLASSROOM RULES

These rules are non-negotiable.

Any time you break them you can expect to be answerable to the class teacher, your Year 9 Dean or a Senior Manager.

- ❖ Be punctual to class
- ❖ Bring all the correct equipment to class
- ❖ Keep the classroom environment tidy
- ❖ Be prepared for class – ensure your homework is complete
- ❖ Do not talk when the teacher is talking
- ❖ Do not call out in class
- ❖ Do not interfere with other students or their property
- ❖ Remain in your designated seat unless instructed otherwise by the teacher
- ❖ Use your King's Diary for recording homework
- ❖ Use your Device as instructed

The purpose of having these rules is to:

- ❖ Enable every student to do his best each lesson
 - ❖ Ensure no student disrupts another student's learning
 - ❖ Ensure YOU are accountable if you cause a disruption in class
-

BRING YOUR OWN DEVICES

Introduction

The values promoted by King's High School include respect for self and all others. These values underpin this entire policy which includes information about staff, parent and student obligations and possible consequences of not meeting them. The School is responsible for maintaining an on-line culture in keeping with the values of the School, legislative and professional obligations.

Primary Rules and Regulations

In order to meet the School's legislative obligation to maintain a safe physical and emotional learning environment and to be consistent with the values of the School, the following regulations are imposed;

- Take care of School-owned equipment
- The IT Network Manager monitors the network to ensure compliance
- Do not store inappropriate or illegal content on your personal device
- Report any discovery of access to illegal or inappropriate content
- Do not post photos, details or recordings of other people without permission
- Do not share passwords
- Report compromised passwords
- Keep your device as up-to-date as possible
- Teachers dictate access to devices during class
- On-line chat during class is strictly prohibited
- Copyright infringement is illegal. Do not do it.

CELL PHONE / ELECTRONIC DEVICES

Cell phones must be switched off during class and may not be used between class periods apart from at interval and lunchtime. If cell phones or other devices are used inappropriately the following process will apply:

- (a) The appropriate teacher will confiscate the cell phone and take it to the school office, where it is placed into an envelope and clearly identified. Information is recorded in the confiscated items log book.
 - (b)

First Offence:	Confiscated until 4pm.
Second Offence:	Confiscated for three days.
Third Offence:	Confiscated until collected by the parent/caregiver. There will be a minimum stand-down period of no phone at school for four weeks.
 - (c) The same process applies for any other electronic device.
-

TRAVELLING TO AND FROM SCHOOL

From the time you leave home until the time you return again, we expect a high standard of behaviour.

1. All boys will wear correct school uniform to and from school.
2. You **DO NOT** smoke or drink alcohol when attending school, or representing the school in any capacity.
3. A student may be removed from travelling on a bus should his behaviour be inappropriate.
4. Boys leaving on buses must do so from the front of the school. It is expected that students will line up and move forward under the direction of the supervising teacher.

EXEAT CARDS

In order to leave school during the day you must obtain an Exeat Card. This is a temporary pass to allow you out of the school. A note from your parent/guardian or an appointment card must be taken to the Attendance Officer. He will check, if necessary, then issue an exeat card.

LUNCH PASSES

King's operates a closed campus. No one is allowed to leave the school campus at any stage unless they have an Exeat card.

COMMON ROOMS/LUNCH ROOMS

Students above Year 9 are allocated a Common Room.

If these rooms are left in an untidy state, they may be locked and remain so until further notice.

The School Canteen sells a range of very good food at reasonable prices. There are lines for senior students and separate ones for juniors.

The Year 9 students will be allocated classrooms for lunchrooms when necessary.

The Performing Arts Centre is open during wet weather.

NOTICES

At group time your Group Teacher will read the daily notices.

Listen carefully for notices which affect you and carry out the instructions given.

ATTENDANCE

All students must attend school unless prevented by illness or other urgent cause.

Parents are required to ring or email the attendance officer to explain an absence:

- Mr Kyle - ky@kingshigh.school.nz or 455-7547

Contact should be made by the parent before the commencement of the school day (8.40am) that the student will be absent.

RESTRICTED AREAS

We normally expect boys to make full use of the School Campus, but certain areas are **OUT OF BOUNDS**

1. You do not play or congregate at the fences bordering Bathgate Park School.
 2. You do not play or congregate in the area adjacent to the Queen's High School fence.
 3. You do NOT go on to Tonga Park or Bathgate Park without staff supervision.
 4. The main foyer in the Administration Block is out of bounds to students at ALL times. Entry through the front door is prohibited.
 5. STAFFROOM.
 6. Steps of the Gymnasium as a place to congregate.
 7. Student carpark area.
-

DISCIPLINE

Loss of School Time

For various reasons a student may miss some school time. If so, he is expected to do extra work to catch up with the class.

Detention

Occasionally you may be required to do a detention. This can involve reporting to the mound at either interval (11am – 11.20am) or lunchtime (1.25pm – 2.00pm) or reporting to L2 at the end of the school day. The location and timing of the detention will be given by the issuing staff member.

Referral

If you are referred by a staff member you must go immediately to your Senior Manager's office. The Senior Manager will record your details, then phone home to explain that you have been removed from class. You will remain outside the Senior Manager's office until the end of the lesson. The Senior Manager will inform you of the consequences of your referral.

Once a student accrues more than one referral there are increasingly serious consequences.

These are:

1 st referral per term	Process is followed	Parents informed (phone)
2 nd referral per term	Process is followed	Parents informed (writing)
3 rd referral per term	Internal Withdrawal (1 day)	Parents to meet a Senior Manager
4 th referral per term	Outside agencies	Parents informed
5 th referral per term	Stand down	Rector

GENERAL ADMINISTRATION

To help the School during the year you will be required to fill in a number of forms.

YOU should inform the School office as soon as any of your personal details such as address, email or phone number change.

FIRST AID

Whenever you are feeling unwell or have been injured in some way, please go directly to the Attendance Office where Mr Kyle will attend to you.

STUDENT TELEPHONE

A telephone that students are permitted to use (other than during class time when it is switched off) is located at the southern end of the Administration Block, next to the photocopy office.

UNIFORM

King's students are expected to wear the regulation uniform at all times.

Should you need to have an item of uniform repaired you **MUST** bring a note to your Senior Manager. It must be signed by your parent/guardian and must state what item is missing, the problem, and how long you will be without it. The School would expect **ONE** or **TWO** days would be sufficient in most cases. Usually the school will supply the article of uniform to the student (in the interim) so that consistency of dress standard is maintained.

SCHOOL OFFICE

Should you need assistance from the main office you are required to enter from the School Quadrangle door, then make your enquiry at the sliding window.

SCHOOL DIARIES

Diaries are issued to all students.

The cost of a diary is \$8.00. This amount is charged to each students account.

These diaries are for the recording of all homework and other important messages.

Teachers will check these are being used, on regular occasions.

SCHOOL ID CARDS

School ID cards are a requirement for Year 9 and Year 10 students.

Photos are taken early in term 1.

GUIDANCE COUNSELLOR

The Guidance Counsellor is available full time to help students and their families deal with problems and other hassles that may concern them at any time.

The Counsellor's time is spent dealing with individuals, parents and families, visiting homes, liaison with outside agencies and administration duties.

The Counsellor is not a regular classroom teacher.

What sort of things do you see the Counsellor for?

- Health and personal concerns
- Home problems
- School subject difficulties
- Problems with other students or teachers
- Financial concerns
- Getting outside agencies to assist with family/other concerns

Interviews

There are a number of ways to contact the Guidance Counsellor:

1. You could ask your Group Teacher, Liaison Teacher, or Senior Manager to make a time for you to see the Counsellor.
2. You can email him at kh@kingshigh.school.nz
3. You can drop a note at his office requesting an appointment.

Mr Korth, Guidance Counsellor

WHAT IF SOMEONE PICKS ON ME?

NO FORM OF BULLYING (physical or verbal) WILL BE TOLERATED BY THE STAFF AT KING'S.

ANY STUDENT WHO IS FOUND BULLYING ANOTHER STUDENT CAN EXPECT TO BE DEALT WITH SEVERELY.

If you are picked on at any time at school (or even on the way to or from school), please inform a member of staff who you feel comfortable approaching. They will ensure your case is **IMMEDIATELY** brought to the attention of the appropriate person.

GETTING ORGANISED FOR SECONDARY SCHOOL

While there will be some changes from your Primary and Intermediate School days, you will find that many of the 'organisational tasks' you performed previously will still apply at King's.

1. Put your **NAME** and **LIAISON CLASS/GROUP** on all your exercise books, pens, pencils, pencil cases, rulers, calculators, etc.
You should do this in **PERMANENT PEN**, not in pencil.
2. Name **ALL** items of uniform clothing – include your school bag, your physical education gear, and any other sporting gear you may need to bring to school.
3. Start using your King's homework diary immediately. This is your daily record of things **YOU** are required to do.
4. Start checking your homework diary each night and make sure you do it when you are given it. Repeatedly missing homework without any justifiable reason will result in you being given extra work to complete.
5. Check your timetable each morning to make sure you bring the correct books and sports gear. Note that the periods on Friday rotate. Your Group Teacher will explain how this system operates.
6. Do you have a locker? If not, you should seriously consider getting one. There is a small annual rental. You provide your own lock. Your possessions will be safe providing you ensure the locker remains locked at all times. You **MUST** collect what you need from your locker before school, at interval, at lunchtime, or after school. You will not be allowed access during class time. See the office for details about lockers.
7. Do you know when school starts in the morning?
There is a warning bell at 8.40am at which time you should move to your **GROUP ROOM** for morning Group time (except on Monday's when classes start at 8.45am).

Failure to attend this meeting is treated as being absent, and you will be required to make up the lost time.

“TWENTY QUESTIONS”

The following are the most commonly asked questions by students during their early days at secondary school. You may find some of the answers in the School Rules. You could also ask your Liaison Teacher, Group Teacher, or senior student members in your Group.

1. What do I do if I am ill and unable to attend school?
 2. What do I do if I have an appointment during school hours?
 3. What do I do if I am feeling sick at school or have an accident at school?
 4. What do I do if I'm late for school?
 5. When is the school canteen open?
 6. Can I order my lunch from the canteen?
 7. What do I do if I have lost something?
 8. When is the school library open?
 9. Is there a telephone I can use at school?
 10. When do we get our stationery?
 11. Am I able to go home for lunch?
 12. Which bike stands can I use?
 13. When can I get a locker?
 14. When are we allowed to go to our lockers?
 15. Are we allowed in classrooms during interval and lunchtime?
 16. If the weather is bad where do I have my lunch?
 17. What time does school begin and end each day?
 18. Are we able to borrow sports gear at lunchtimes; from where?
 19. What do I do if I am unable to be in my correct uniform?
 20. Who is the best person to answer my questions about rooms and subjects?
