GAP YEAR OPPORTUNITY - Not sure what to do next year? This is an internship opportunity for school leavers. Participants will embark on a remarkable 12 week journey of learning, experiences and coaching - in the classroom and predominantly in NZ's diverse and spectacular outdoors, focusing on individual skills and group leadership. They will gain world-recognised New Zealand outdoor guiding qualifications, and on completion will be placed in some incredible front-line adventure tourism roles based in Queenstown - working for companies involved with jet-boating, climbing, hiking, bungee jumping and much more. This program is a well-constructed stepping stone into the adventure tourism industry as a guide, but also is the perfect GAP year option - offering qualifications and adventure all in one - perfect for the student who has not quite decided what is the next step.
