**MOBILE PHONE RECYCLING APPEAL** - As we are coming to the end of the school year we'd like to remind students with any unwanted phones that we are still collecting phones and would very much appreciate your support. The Mobile Phone Appeal has raised over 2.5 million dollars for the Starship Foundation. We have had a very successful year with Sustainable Coastlines our new exciting charity. With 69% of New Zealand's rivers deemed unsafe for swimming after rainfall due to contamination, this is important work that we hope you can support and promote through the collection of old and unwanted phones in your school. To donate phones simply drop them off at the office.
